Re: DW 13-305 – Lorden Commons Sewer Company, LLC – Rate Case Expenditures
and Proposed Surcharge to Customers

Dear Ms. Howland:

In accordance with PUC Order No. 25,677 in DW 13-305, enclosed is the original and six copies of the Company's "final accounting of its rate case expenses" and proposed surcharge to customers. If accepted as submitted, total rate case expenditures were \$8,241.19. The Company proposes to recover such expenditures via a \$20.60 quarterly surcharge to its customers' invoices over 8 quarters. An electronic version of the rate case summary and proposed surcharge has also been filed. One copy of the supporting invoices that support the rate case expenditures has been filed with Mr. Naylor. If you have any questions or comments, please call me at 207-423-0215 or email me at stephenpstcyr@yahoo.com.

Sincerely,

Stephen P. St. Cyr
