RE: DW 13-305 Lorden Commons Sewer Company, LLC and  
Request for Intervention

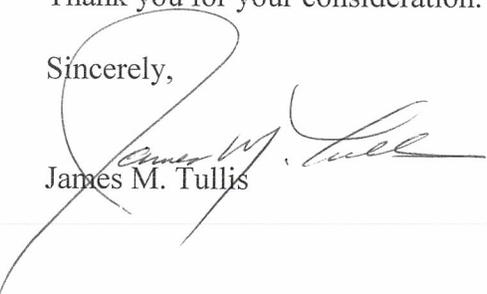

Dear Ms. Howland:

In regards to the meeting which I was in attendance today pertaining to DW 13-305 to establish Initial Sewer Rates for Lorden Commons Sewer Company, I request to be an applicant to participate in the process of Intervention.

I believe that I am qualified to participate on this committee as a concerned citizen because my wife and I will reside within Lorden Commons after we close on a home May 16, 2014. We signed the Purchase & Sale Agreement pertaining to the Subdivision on November 23, 2013 for the home to be built on Lot 26.

Thank you for your consideration.

Sincerely,

  
James M. Tullis
