Re: DG 13-313: Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities—Integrated Resource Plan

Dear Ms. Howland:

I am writing to request that the September 11, 2014 technical session scheduled in the above-captioned docket be rescheduled to September 17 at 10:00AM. The Company seeks this change in the schedule because there is another technical session (in Docket DE 14-211) scheduled for the same time at which counsel for the Company would like to be present. In addition, one of the Company's employees has a potential conflict with the September 11 technical session and the resolution of that conflict will not be known until September 10.

The Company has conferred with Staff of the Commission and the Office of Consumer Advocate, both of which are agreeable to the proposed September 17 date.

Thank you for your assistance with this matter. Please do not hesitate to contact me should you have any questions.

Very truly yours,

A handwritten signature in black ink that reads "Sarah B. Knowlton".
