

STATE OF NEW HAMPSHIRE
BEFORE THE
NEW HAMPSHIRE PUBLIC UTILITIES COMMISSION

Docket No. _____

**Petition of South Jersey Energy Company
Pursuant to Rules Puc 102.01 and Puc 2505.13 Regarding
SJE 2011 RPS Compliance Requirements**

ERRATA SHEET

The above-captioned Petition was filed with the Commission on November 12, 2013. The following new Paragraph is being filed to replace in its entirety the corresponding Paragraph on page 2 of the Petition.

IV. Conclusion.

Reduced to its essentials, if the Commission allows SJE to obtain credit for the retired 2010 recs that were not otherwise used for any RPS compliance for use in calculating SJE's 2011 RPS compliance requirements, SJE would be able to reduce the amount due to the Commission for the 2011 ACP obligation to \$171,916. Accordingly, SJE would owe the Commission an amount equal to \$171,916 for its 2011 ACP obligation. However, if this amount is further adjusted to take into account a prior ACP payment by SJE of \$156,412 and a further payment of \$30,887 made by SJE by electronic transfer on July 24, 2013, the amount due and payable by SJE to the Commission would be a negative \$15,383.

RESPECTFULLY SUBMITTED,
South Jersey Energy Company
by its Attorney,
