Dear Ms. Howland,

Please accept this letter as the Initial Filing of Notice for Energy Auction House Inc. d/b/a Energy Action House to become an Electricity Aggregator in the State of New Hampshire. Enclosed please find check number 1029 for \$250 for the filing fee, 2 copies of the application packet and a copy on CD.

Energy Auction House Inc. is a Nevada corporation registered to do business in the state of New Hampshire as Energy Action House. As of this date Energy Action House has not done any business or marketing in New Hampshire.

I have reviewed the entire N.H. Code Admin. Rules Puc 2000 and agree to abide by them.

I have been an executive in the retail electricity and natural gas business since 2008. I am very familiar with the electricity business in New England and nationwide. I was based in Boston in 2008 and 2009 with a top tier electricity and natural gas supplier. I opened the central PA market for the company in 2009-2010. As Senior Vice President I ran the Texas market for the company from March 2010 to July 2012. From July 2012 – July 2013 I acted as Vice President for an energy management firm offering Demand Response, Energy Efficiency and Supply Brokerage. I grew up in New England and got a Bachelor's degree at University of Vermont and a Master's Degree at Boston College, both in Mathematics.

I'm confident that with over 6 years experience in the supply business that Energy Action House will bring outstanding value to New Hampshire customers.

Thank you for your consideration.

Sincerely,

Lauren Langbert, President
