Public Utilities Commission  
Attn: Ms. Debra A. Howland, Executive Director and Secretary  
21 South Fruit Street, Suite 10  
Concord, NH 03301-2429

Dear Ms. Howland:

On March 14, 2014 Utilities Analyses LLC, formerly Utilities Analyses, Inc. ("UAL"), filed an application to renew its New Hampshire electric aggregation services registration. After conversation with PUC staff, we have since determined that UAL is no longer doing business as an electricity aggregator in New Hampshire. Consequently, we wish to withdraw the renewal application filed on March 14 and have no need to renew the now-expired registration of UAL.
