SUBJECT: DM 14-111 Summerview Energy LLC
Renewal of Registration to Provide Natural Gas Aggregation Service

TO: Commission
Debra Howland, Executive Director

On April 24, 2014 Summerview Energy LLC (Summerview) filed an application to renew its registration as a provider of natural gas aggregation service. Summerview's registration expires on March 26, 2014.

Staff has reviewed the information in the application and determined that the filing is complete. Staff noted that that, pursuant to Puc 3003.05(f), Summerview's renewal application should have been filed at least 60 days prior to the expiration of the currently effective registration, on or before January 24, 2014. Because this is the first time Summerview has been tardy with its submission to renew its registration for natural gas aggregation, Staff recommends the Commission approve Summerview's renewal application to provide natural gas aggregation service, effective March 26, 2014, for a term of 5 years.
