Re: DT 14-146; Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE Revision to NHPUC Tariff No. 3 (Switched Access Services); Corrective Filing

Dear Ms. Howland:

Pursuant to the Recommendation Memo filed by Telecommunications Staff ("Staff") Director Kathryn Bailey in Docket Number DT 14-146 on June 27, 2014, FairPoint hereby files a revised page 6 in Section 30 of its May 30, 2014 Intrastate Access Tariff Revisions. This submission reflects certain corrected rates for entrance facilities.

In addition, and outside of the noted change identified in Staff's Recommendation Memo, Staff and FairPoint agreed that an additional correction needed to be made to page 5 in Section 30 of FairPoint's May 30, 2014 submission. Accordingly, included with this filing is a revision reflecting certain language changes to the Carrier Common Line Access Service.

Both of these revisions are being made in agreement with Staff and are being made to match the rates and language in the interstate tariffs. FairPoint apologizes for any inconvenience this may have caused.

Please acknowledge receipt of this filing by date stamping the extra copy of this cover letter. Any questions you may have pertaining to this filing may be directed to me at 603.656.8102.

Yours truly,
