**Re: Docket No. DT 14-147 – Compliance Tariff Filing**

Dear Ms. Howland:

Northland Telephone Company of Maine, Inc. d/b/a FairPoint Communications (“FairPoint”) is filing tariff pages in compliance with the above referenced Docket.

**NH PUC No. 2**

**Section**

**1**

**Revision of Pages**

**6, 11 through 16**

On May 30, 2014, FairPoint submitted a filing to revise its intrastate access tariff for effect on July 1, 2014, pursuant to the Federal Communications Commission (FCC) Report and Order FCC 11-161 (Transformation Order). Consistent with the Transformation Order as revised, the tariff filing proposed to set Northland intrastate access rates equal to current Northland interstate rates. The New Hampshire Public Utilities Commission allowed the proposed tariff changes to go into effect July 1, 2014.

FairPoint hereby files the tariff pages reflecting the Docket No. DT 14-147 reference only.

Please return the copy of this filing marked “Receipt” with your stamp of receipt.

Yours truly,

Robert D. Meehan
