Re: DRM 14-149: Proposed Changes to Puc 200 Rules of Practice and Procedure

Dear Ms. Howland:

I am writing on behalf of Liberty Utilities (Granite State Electric) Corp. and Liberty Utilities (EnergyNorth Natural Gas) Corp. both d/b/a Liberty Utilities regarding the proposed Puc 200 rules. Liberty Utilities requests that the Commission include the following, which regularly contain customer-identifying information such as addresses, as routine filings to which the confidentiality provisions of Puc 201.06 apply:

	Emergency Response Report	Pursuant to DG 11-040 Settlement Agreement
Gas	E-23 Report of Interruption of Service	Puc 509.12
	E-24 Report of Gas Meter Complaint Test	Puc 509.13

In addition, the Companies request that the Commission designate the E-37 Report (Quarterly Report of Equipment Theft, Sabotage and Breaches of Security) filed pursuant to Puc 308.17 as confidential, given that it contains sensitive security information not otherwise disclosed publicly.

Thank you for your consideration of the Company's comments.

Very truly yours,

Sarah B. Knowlton
