Registration to Provide Electric Aggregation Service**TO:** Commission  
Debra Howland, Executive Director

On July 14, 2014, Ultimate Energy Advisors, LLC (Ultimate Energy) filed an application to renew its registration as a provider of electric aggregation service and paid a renewal registration fee of \$125.00. Ultimate Energy's previously active registration, which was approved under Docket No. DM 12-045, expired on April 9, 2014. Staff informed Ultimate Energy that its registration had expired three months prior, that its application would be considered an initial application, and that an additional charge of \$125.00 would be required to cover the initial application fee. On August 22, 2014, Ultimate Energy paid the additional \$125.00 charge and, on September 9, 2014, Ultimate Energy filed additional information needed to complete its application.

Staff has reviewed the application and has determined that the filing is complete. Staff, therefore, recommends approval of Ultimate Energy's application for an initial registration to provide electric load aggregation service, effective on the date of the Commission's approval letter, for a term of two years.
