**Re: Docket DE 14-195 Order Nisi - Public Service Company of New Hampshire –
Petition for License to Construct and Maintain Electric Lines and Static Wires Over
and Across Public Waters: Ammonoosuc River in the Town of Littleton, New
Hampshire**

Dear Ms. Howland:

Please be advised that PSNH will not be publishing the Order as required. This is due to a recent design change of the proposed crossing that was originally filed under this Docket, thus rendering the Order Nisi just issued to be no longer applicable. We request that the Order Nisi be withdrawn.

PSNH will be filing an amended/revised water crossing application with the NHPUC as soon as it is available. If you have any questions or concerns or require additional information please do not hesitate to email me at laura.games@nu.com or to call me at 634-2906. Thank you so much for your assistance with this matter

Sincerely,
