RE: **DE 14-216**
2015-2016 CORE NH Electric Energy Efficiency Programs and
Gas Energy Efficiency Programs

Dear Director Howland:

In the very near future, the 2015-2016 CORE NH Electric Energy Efficiency Programs and Gas Energy Efficiency Programs for the period January 1, 2015 to December 31, 2016 offered by and through Unitil Energy Systems, Inc.; Northern Utilities, Inc.; Liberty Utilities (Granite State Electric) Corp.; Liberty Utilities (EnergyNorth Natural Gas) Corp.; New Hampshire Electric Cooperative, Inc.; and Public Service Company of New Hampshire (collectively the "CORE Utilities") are to be submitted for the Commission's review and consideration. Though there is no Commission order requiring the filing to be made by a specific date, the CORE Utilities intended to make the filing on or by September 1, 2014. Additional time, however, is necessary for the CORE Utilities to complete the filing. Accordingly, by this letter, the CORE Utilities are informing the Commission and interested parties that the filing will be made in Docket No. DE 14-216, which has been reserved for this matter, on or by September 12, 2014. In that a full service list has not yet been established for this docket, copies of this letter are being provided to the parties on the service list in the last CORE filing, Docket No. DE 12-262.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions

Very truly yours,

Matthew J. Fossum
Senior Counsel
