

## RESIDENTIAL ENERGY EFFICIENCY LOAN PROGRAM (continued)

### AVAILABILITY

Subject to the Terms and Conditions of the Tariff of which it is a part, this program shall allow Customers installing energy-efficiency measures under an energy efficiency program offered by the Company and approved by the Commission ("Participating Customers") to borrow all or a portion of the Customer's share of the installed cost of the energy-efficiency measures ("Customer Loan Amount") through an additional charge on their monthly electric service bill issued by the Company. It is available to Participating Customers with existing agreements as well as Participating Customers who meet the following qualifications:

1. The Customer must own the residential property where the energy-efficiency measures are installed; and
2. The Customer must have an active Delivery Service account with the Company for the property where the energy-efficiency measures are installed and receive retail delivery service Domestic Delivery Service Schedule D; and
3. The Customer must have good credit with the Company, which is defined as a Customer that has not received a disconnect notice from the Company during the twelve months preceding the Customer's request for service under this program; and
4. Generally, the Customer Loan Amount must be greater than or equal to \$500 and less than or equal \$2,000 and must not exceed the Customer's share of the installed cost of the energy-efficiency measures installed under the Company's approved residential energy-efficiency weatherization program.

However, the Company at its sole discretion may grant loans in amounts greater than \$2,000 but less than or equal to \$7,500 provided the loans do not exceed the Customer's share of the installed cost of the energy-efficiency measures installed under the Company's approved residential energy-efficiency weatherization program

At its sole discretion, the Company shall determine eligibility for service under this program subject to the availability of program funds and limited to the energy efficiency measures chosen by the Company.

Any Customer taking service under this program must remain a Domestic Delivery Service Customer of the Company at the residential property where the energy-efficiency measures are installed. In the event the Customer does not remain a Domestic Delivery Service Customer of the Company at the residential property where the energy-efficiency measures are installed, any remaining charges under this program shall immediately become due and payable.
