Docket #: DM 14-231 Utility Choice Savings, LLC

Mr. Clayton,

Your Renewal Registration to Provide Electric Aggregation Service application has been received. The Secretary of State document you provided simply acknowledges receipt of your Certificate of Formation application. It does not provide adequate documentation of your authorization to do business in New Hampshire. A printout of the listing on the Secretary of State website indicating the company is in good standing or a copy of the Certificate of Good Standing are both considered appropriate. Please email one of these forms of documentation to my attention as soon as possible and reference the above docket number in your correspondence.

Sincerely,

Clare E. Howard-Pike
