Re: Docket No. DG 14-233, Concord Steam Corporation, 2014-2015 Cost of Energy  
Submission of CONFIDENTIAL Version of Confidential Hearing Exhibit 2

Dear Ms. Howland:

Staff, as a courtesy to Concord Steam Corporation (Concord Steam), and as directed by the Commission at the October 8, 2014 public hearing in the above-captioned matter, hereby submits Concord Steam's REVISED, CONFIDENTIAL Hearing Exhibit 2 (response to Staff Data Request 1-16), as tendered by Mr. Peter Bloomfield, Concord Steam's President, to Staff. Mr. Bloomfield has given his assent to Staff filing this material on Concord Steam's behalf.

Staff has reviewed the enclosed material. While there are slight deviations from the requirements of N.H. Code Admin. Rules Puc 201.04(c), in that upper-right-hand corner legends are missing (Staff has stamped certain pages with the legend "CONFIDENTIAL" to maintain the security of this information), Concord Steam's redaction method clearly indicates the scope of material being redacted in grey highlighting, and Staff therefore would support the Commission granting a partial waiver of Puc 201.04(c) for this material by the Commission, pursuant to Puc 201.05, in that such a partial waiver serves the public interest and would not disrupt the orderly and efficient resolution of matters before the Commission. Only one hard record copy is being supplied with this filing. Staff also reiterates its support for Concord Steam's motion for confidential treatment, dated October 2, 2014, regarding the material presented in the unredacted version of Confidential Hearing Exhibit 2.

Sincerely,

A handwritten signature in blue ink that reads "Alexander F. Speidel".
