Re: Public Service Company of New Hampshire, DE 14-238, Motion to Compel

Dear Secretary Howland:

My client, Terry Cronin, advises that, some years ago, Michael Iacopino represented him in a private probate matter.

The Commission has asked that Governor Hassan appoint Mr. Iacopino to serve as a member of the Commission in the captioned docket because Commissioner Scott has recused himself.

Mr. Cronin has no concerns whatever about Mr. Iacopino's impartiality, but feels duty bound to place his past representation on the record.

Very truly yours,

Arthur B. Cunningham
