LATE-FILED MOTION TO INTERVENE

The undersigned Howard Moffett, State Representative for Merrimack District 9 (Loudon and Canterbury), hereby follows up his oral request for intervenor status in this Docket, granted without objection by the Commission at the pre-hearing conference on July 9, 2015, subject to filing of a formal written motion to intervene, by filing this late-filed motion to intervene. In support thereof, the undersigned represents:

1. I served as Co-Chair of the subcommittee of the House Science, Technology and Energy Committee charged with hearing and deliberating on SB 221 in the 2015 session of the State Legislature, and in that capacity participated actively in the subcommittee's deliberations.
2. I participated actively in the bi-cameral legislative working group which produced the bill in the final form passed by both chambers of the Legislature, and thus have an interest in the outcome of this docket.
3. I fully accept the proposed procedural schedule for the docket, and thus my participation, which I expect to be largely though not exclusively as an observer, will not delay the proceedings or involve introduction of any issues not already under consideration in the docket.

WHEREFORE, I ask leave to make this late filing, and to be granted intervenor status in this docket.

Respectfully submitted,

/s/ Howard Moffett
