Ms. Desai,

On 10/09/14, you submitted on behalf of Front Line Power Solutions, LLC an application with the Commission for registration as a provider of electric aggregation service. The application is incomplete and therefore does not comply with the requirements of N.H. Code Admin. Rule Puc 2003. Commission Staff has reviewed the filing and identified the following item:

In order to complete your application you should respond accordingly to the item listed above. When responding, please address your letter to Debra A. Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

If, after 120 days of the date of the request, the applicant has not provided the requested information or clarification, the commission shall reject the application. If an application is rejected, the application fee shall be forfeited and the applicant shall be required to submit a new application and fee prior to acting as an aggregator in New Hampshire
