Re: DM 14-341, Union Atlantic Electricity Corp.  
Competitive Electric Power Supplier Application  
Deficiency Letter – Request for Additional Information

Dear Mr. Ginn:

On December 1, 2014, Union Atlantic Electricity Corp. (Union Atlantic) submitted an application to the Commission to renew its registration as a competitive electric power supplier (CEPS). Commission Staff has reviewed the application and determined it is incomplete and therefore does not comply with the requirements of N.H. Code Admin. Rules Puc 2003. In particular, Staff identified the following requirements that have not been met and the related items which are missing from the application:

- 1) Proof of completion of EDI training and testing with Unitil Energy Systems, Inc. (UES).

*Puc 2003.01(d)(1) Demonstration of technical ability to provide for the efficient and reliable transfer of data and electronic information between utilities and the CEPS in the form of:*

*(a) A statement from each utility with which the CEPS intends to do business indicating that the applicant has complied with the training and testing requirements for electronic data interchange.*

*(c) A statement from each utility with which the CEPS does or intends to do business indicating that the applicant has successfully demonstrated electronic transaction capability.*

- 2) Proof of financial surety.

*Puc 2003.01(d)(4) Evidence of financial surety, as defined in Puc 2003.03.*

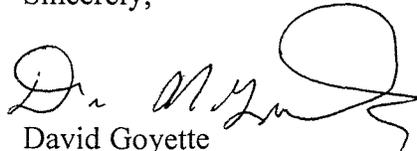

Regarding item #1, your application lists UES as a franchise area in which you intend to do business. Pursuant to Puc 2003.01(d)(1) you must demonstrate that you have completed EDI training and testing with UES prior to providing service in the UES franchise area.

In order to complete your application, you should respond accordingly to the items listed above. When responding, please address your letter to Debra A. Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

Pursuant to Puc 2003.04 (h), please provide all information requested within 60 days of the date of this letter, on or before **January 31, 2014**. Puc 2003.04 (h) is copied below.

*Puc 2003.04(h) If the commission has requested information or clarification to complete an application for registration, and such information or clarification is not provided within 60 days of the request, the commission shall suspend the application. If, after 120 days of the date of the request, the applicant has not provided the requested information or clarification, the commission shall reject the application. If an application is rejected, the application fee shall be forfeited and the applicant shall be required to submit a new application and fee prior to acting as a CEPS in New Hampshire.*

Sincerely,

A handwritten signature in black ink, appearing to read 'David Goyette', with a large, stylized flourish at the end.

David Goyette  
Utility Analyst III
