RE: DG 14-380 Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a/ Liberty Utilities  
Submission of Pipe Line Awareness Network for the Northeast, Inc. ("PLAN")  
Corrected Page 13 to Testimony of John A. Rosenkranz

Dear Ms. Howland:

The Petitioner has informed us that page 13, line 14 of the May 8, 2015 filed testimony of John A. Rosenkranz contained material that should have been marked as CONFIDENTIAL pursuant to the governing protective order.

Therefore, on behalf of PLAN, I enclose:

- One (1) copy of a revised, redacted page 13 of Mr. Rosenkranz' testimony; and
- Seven (7) copies of a revised, CONFIDENTIAL page 13 of Mr. Rosenkranz' testimony.

Please insert the respective pages in the public record and the Commission's copies, and remove the previously-submitted page 13 of each copy. Revised electronic versions of each of the redacted and CONFIDENTIAL testimony submissions have been filed and served today, too.

Please contact my office should you have any questions. Thank you for your assistance in this matter.
