Re: Petition to Intervene, DW 15-199

Ms. Howland:

I am writing in my role as the current president of the Village Shore Estates Association. We seek to intervene in DW 15-199. Our neighborhood association consists of about 100 homes in Bow, NH. Our community water system is owned and operated by Abenaki Water Company and would be affected by the proposed rate change. Given this, we have a direct and substantial interest in this matter.

Sincerely,
