**LIBERTY UTILITIES (ENERGYNORTH NATURAL GAS) CORP.  
d/b/a LIBERTY UTILITIES**

**Petition for Franchise Approval and Waiver of the  
Tariff Filing Requirements of Puc 1603.02(a)**

**ORDER OF NOTICE**

On August 31, 2015, Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities, of Londonderry, New Hampshire (Liberty), a gas utility currently providing service to customers in 28 communities in south-central New Hampshire, Berlin in northern New Hampshire, and Keene in western New Hampshire, filed a petition to provide gas utility service, as defined by RSA 362:2 and 362:4-b, in Pelham and Windham with the New Hampshire Public Utilities Commission (Commission). Liberty also requests a waiver of the requirement of N.H. Code Admin. Rules Puc 1603.02(a) that a tariff for the proposed service to be offered in these communities be filed with its franchise petition. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at [www.puc.nh.gov](http://www.puc.nh.gov).

In its petition, Liberty outlines its proposal for providing natural gas service through a pipeline distribution system to customers in Pelham and Windham. Liberty submits the pre-filed testimony of: William J. Clark (Business Development Professional at Liberty Utilities Service Corp., a Liberty affiliate); Richard G. MacDonald (Director of Gas Operations for Liberty at Liberty Utilities Service Corp.) and Steven E. Mullen (Manager, Rates and Regulatory at Liberty

Utilities Service Corp.). Through this testimony, Liberty provides an overview of its plans for this proposed expansion of its gas utility franchise to Pelham and Windham.

The filing raises, inter alia, issues related to: RSA Chapter 374, specifically, RSA 374:1, whether Liberty would be in a position to furnish reasonably safe and adequate, and in all other respects just and reasonable, gas service and facilities in Pelham and Windham, including all aspects of engineering, safety, and adequacy of pipeline natural gas supply; RSA 374:2, whether Liberty would be in a position to offer its proposed service at just and reasonable charges to customers in Pelham and Windham, without burdening Liberty's existing customers with unreasonable rates due to cross-subsidization; RSA 374:8 and 374:13, whether Liberty keeps, and will continue to keep, accounts and records in the form prescribed by the Commission in connection with its franchise expansion; RSA 374:22, granting the Commission the power to review and approve Liberty's franchise petition, and RSA 374:26, whether approval of Liberty's franchise petition would be for the public good, and whether terms and conditions for the franchise privilege should be applied for the public interest by the Commission; RSA Chapter 378, specifically, whether Liberty's proposed rates and tariffs for Pelham and Windham service, and any updated rates and tariffs for Liberty's existing gas customers, would be filed in conformance with the Commission's regulations, and would be just and reasonable, and furthermore, whether granting Liberty's requested waiver of N.H. Code Admin. Rules Puc 1603.02(a) would be just and reasonable, and in the public interest; RSA 378:37, whether the proposal by Liberty comports with the New Hampshire Energy Policy; RSA 371:17, and whether Liberty would be required to petition the Commission for a license to cross public waters within its proposed franchise territory, as part of its construction of its distribution network. Each party has the right to have an attorney represent the party at the party's own expense.

**Based upon the foregoing, it is hereby**

**ORDERED**, that a Prehearing Conference, pursuant to N.H. Code Admin. Rules Puc 203.15, be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on October 28, 2015 at 9:00 a.m., at which each party will provide a preliminary statement of its position with regard to the petition and any of the issues set forth in N.H. Code Admin. Rules Puc 203.15; and it is

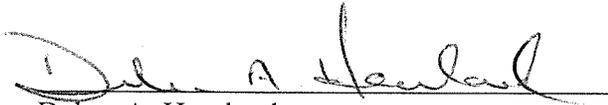

**FURTHER ORDERED**, that, immediately following the Prehearing Conference, Liberty, the Staff of the Commission and any Intervenors hold a Technical Session to review the petition and allow Liberty to provide any amendments or updates to its filing; and it is

**FURTHER ORDERED**, that pursuant to N.H. Code Admin. Rules Puc 203.12, Liberty shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice no later than September 25, 2015, in a newspaper with general circulation in those portions of the state in which operations are conducted, publication to be documented by affidavit filed with the Commission on or before October 23, 2015; and it is

**FURTHER ORDERED**, that consistent with N.H. Code Admin. Rules Puc 203.17 and Puc 203.02, any party seeking to intervene in the proceeding shall submit to the Commission seven copies of a Petition to Intervene with copies sent to Liberty and the Office of the Consumer Advocate on or before October 23, 2015, such Petition stating the facts demonstrating how its rights, duties, privileges, immunities or other substantial interest may be affected by the proceeding, as required by N.H. Code Admin. Rule Puc 203.17 and RSA 541-A:32,I(b); and it is

**FURTHER ORDERED**, that any party objecting to a Petition to Intervene make said Objection on or before October 28, 2015.

By order of the Public Utilities Commission of New Hampshire this twenty-first day of  
September, 2015.
