RE: CONCORD STEAM CORPORATION

DOCKET NO. DG 16-__

**PETITION FOR APPROVAL OF SPECIAL CONTRACT
WITH THE CONCORD SCHOOL DISTRICT**

Concord Steam Corporation ("Concord Steam") hereby petitions the Public Utilities Commission for authority, pursuant to RSA 378:18, to provide service to Concord School District ("CSD") pursuant to the terms of a special contract entered into by Concord Steam and CSD as of September 8, 2015. In support of this Petition, Concord Steam states as follows:

1. Concord Steam currently provides service to the CSD facilities under its tariffed rate.

2. Concord Steam has entered into a contract with the CSD, which is being submitted contemporaneously with this Petition and includes a Statement of Special Circumstances in accordance with N.H. Code of Admin. Rules Puc 1606.03(b).

3. For the reasons set forth in the Statement of Special Circumstances submitted with the Contract (which is hereby incorporated by reference), Concord Steam avers that special circumstances exist which render such departure from the general schedules of Concord Steam just and consistent with the public interest. Concord Steam respectfully requests that the Contract be approved and that Concord Steam should be authorized to provide service to the CSD in accordance with the terms of such contract.

WHEREFORE, Concord Steam Corporation respectfully requests that the Commission:

A. Approve the Contract;

B. Authorize Concord Steam to provide service to the CSD in accordance with the terms of the Contract; and

C. Grant such other and further relief as may be just and reasonable.

Date: 4/7/16

Respectfully submitted,
