Re: DM 16-064, Global Montello Group Corp.  
Renewal Registration as a Competitive Natural Gas Supplier

Dear Mr. Curtin:

Global Montello Group Corp. (Global Montello) is a competitive natural gas supplier (CNGS) registered with the Commission. On January 15, 2016, Global submitted an application to renew its CNGS registration. Commission Staff filed a memorandum on March 11, 2016, and recommended that the Commission approve the renewal.

The Commission has reviewed the Global Montello application and Staff's recommendation. Its application meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003 and 3006.01. Therefore, the Commission will approve Global Montello's application to renew its registration as a CNGS in the State of New Hampshire, with the registration to be effective on March 16, 2016, coinciding with the expiration of its current registration. This registration will expire either at the end of business on March 15, 2021 or upon the termination or expiration of the corporate guaranty, whichever occurs first. Accordingly, Global must submit a renewal application at least 60 days prior to the expiration of the approved registration period, on or before January 16, 2021.

Please be aware that registered CNGSs are subject to specific requirements contained in Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,
