RE: DW 16-123, Aquarion Water Company of New Hampshire, Inc.
Petition for Monthly Billing and Other Billing Changes

Dear Ms. Howland:

Enclosed please find one original and six copies of Aquarion Water Company of New Hampshire's ("Aquarion") revised tariff page in compliance with the Commission's Order No. 25,929 in the above-referenced case. Clean and marked copies are enclosed. The revised tariff page (1) sets forth the change in billing metered and private fire protection customers from quarterly to monthly on a service rendered basis, (2) converts metered and private fire service customers from in-advance to in-arrears, (3) calculates the fixed service charge on a per diem basis, and (4) changes the payment due date from 30 days to 25 days after the billing date as approved by the Commission and will apply to all Aquarion customer bills with services rendered on or after September 1, 2016.

Please let me know if you have any questions. I can be reached at (203) 362-3009.

Sincerely,

Troy Dixon
Director, Rates & Regulation
