Re: New Hampshire – Electric Aggregator # DM 16-148 ✓
Natural Gas Aggregator # DM 16-233

Dear Sir or Madam:

Please be advised that effective November 20, 2018, there has been a change in the ownership of Taylor Consulting and Contracting, LLC, which has been purchased by Alberio Energy, LLC, a Michigan limited liability company. Taylor Consulting and Contracting will remain the legal entity name. The current management team will continue operations with the exception of the former owner, CEO and General Counsel, Karen Tomaine.

This sale will have no impact on the operations, technical ability or finances of the company and there will be no changes or impact on our Customer Service Department or on our customers. The financial status of Alberio Energy is equal to that of the prior owner. Acting as a Competitive Supplier or Electricity Broker is not an *ultra vires* purpose of the entity.

The new contact for legal matters will be Jason Richards, President and COO, Albireo Energy, 3 Ethel Road, Edison, NJ 08817, (610) 715-1662, jrichards@albireoenergy.com.

The new contact for the regulatory matters will be Rudi Miklosvary, VP Compliance, Taylor Consulting, 625 Main Street, Avoca, PA 18641, (917) 420-0903, rmiklosvary@taylorcc.com

Any mandated electronic filings, transfer applications or other requirements will be forthcoming.

Questions may be directed to Rudi Miklosvary, VP Compliance at (917) 420-0903 or rmiklosvary@taylorcc.com.

Respectfully,

Scott Stiner
COO
