**Re: Entity Information Update on behalf of CleanChoice Energy, Inc.
Docket No. DM 16-237**

Dear Executive Director,

This letter serves as notice of a material change in CleanChoice Energy, Inc. d/b/a CleanChoice Energy d/b/a Ethical Electric d/b/a Clean Energy Option f/k/a Ethical Electric, Inc. (“CleanChoice”)’s license on file with the NH PUC. Included in this submission is documentation of the acceptance of the entity name change from Ethical Electric, Inc. to CleanChoice Energy, Inc. in its State of Formation, Maryland and its name amendment New Hampshire Department of State. Upon receipt of the updated Amended Certificate of Authority, it will provide this documentation to the NH PUC.

There have been no changes to CleanChoice’s ownership structure, and the name change does not affect its operational structure as a retail electric supplier. CleanChoice will also provide this updated information to all EDC’s with which it is registered, and is in the process of making the required updates with FERC and ISO-NE. CleanChoice does not anticipate that this name change will impact customers, as it has not enrolled any customers in New Hampshire.

Please direct any correspondence and communication regarding this submission to the undersigned.

Respectfully Submitted,

Kira Bryers
