To Whom It May Concern:

I am writing to explain why our renewal application was not filed 60 days in advance of the expiration date. Due to a clerical error, we did not begin compiling the documents necessary for renewal until recently. We compiled those documents as quickly as possible and are now submitting them to the Board. Going forward, this renewal will be filed by the Renewals Department at LicenseLogix, who will begin processing NH Natural Gas Broker renewals 90-120 days in advance of the due date, in order to ensure timely filings.

If there is any issue, or if you require any further information, please do not hesitate to contact me.

Thank you,

The LicenseLogix Team
