**Re: Docket No. DE 16-277, Liberty Utilities (Granite State Electric) Corp.
Reliability Enhancement Plan and Vegetation Management Plan Report**

Enclosed please find an original and six copies of Exhibit 4, a record request that arose during the May 10 hearing in the above matter, which is Schedule HMT-4 (Exhibit 3 at Bates page 57) revised to provide a calculation of the bill impact specifically related to the Reliability Enhancement Plan and Vegetation Management Plan reconciliation for 2015. As shown in the attachment, the impact to a residential customer using 650 kilowatt-hours per month, related specifically to this filing, is \$0.43 or 0.39%.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Sheehan".

Michael J. Sheehan
