**Re: Docket Nos. DE 16-346 and DE 13-063
Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities
Compliance Tariff Filing – NHPUC No. 19**

Dear Ms. Howland;

On behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities, I enclose one original and two copies of revised pages to Liberty Utilities' Tariff NHPUC No. 19 for filing in the above dockets to implement new retail rates effective May 1, 2016, as approved by Order No. 25,892 in Docket No. DE 16-346, and to address an over collection of temporary rate recoupment and rate case expenses in Docket No. DE 13-063, which the Commission approved in a secretarial letter dated April 28, 2016.

This filing replaces a similar filing of May 6, 2016. The May 6 filing included language related to electric vehicle (EV) charging stations arising from DE 15-489. The EV language should not have been included with the May 6 filing because the EV language will not go into effect until June 1. Under separate cover in DE 15-489, Liberty will make a separate compliance filing that contains the EV language to go into effect June 1, 2016.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Sheehan".

Michael J. Sheehan
