Electric Delivery Service Tariff No. 9**TO:** Commission
Debra Howland, Executive Director

On March 24, 2016, Public Service Company of New Hampshire, d/b/a Eversource Energy (Eversource), filed a request to replace Electric Delivery Service Tariff No. 8 (Tariff 8), to Electric Delivery Service Tariff No. 9 (Tariff 9), in which each page lists the company's trade name, Eversource. Eversource stated that no changes to rates, terms, or conditions are proposed in its submission of Tariff 9.

Commission Staff noted that Tariff 8 lists the following three (3) services, which are not included in Tariff 9: 1) Sawmill Retention Delivery Service Rate SR, 2) Ski Area Interruptible Delivery Service Rate SKI, and 3) Supplement No. 1 - Temporary Selection Charge, Billing and Payment Service Charge and Collection Services Charge for Energy Service Providers. On April 15, 2016, Staff confirmed, by email with Eversource, that Eversource does not have any customers subscribed to those three services. Staff, therefore, recommends that the Commission allow Tariff 9 to take effect on May 1, 2016.
