RE: Docket No. DE 16-566
Public Service Company of New Hampshire d/b/a Eversource Energy
2016 Transmission Cost Adjustment Mechanism

Dear Director Howland:

Enclosed for filing is an original and six copies of the testimony and attachments of David F. Bidmead supporting the Transmission Cost Adjustment Mechanism ("TCAM") rate proposed for effect on July 1, 2016 and showing the reconciliation of transmission costs through April 2016, and the testimony and attachments of Lois B. Jones containing the calculation of TCAM charges for each class of customers. Eversource estimates there will be an increase in the average rate from 1.785 cents per kwh to 2.193 cents per kwh.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum
Senior Counsel
