**Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or
Other Regulatory Mechanisms and Tariffs for Customer-Generators
Report of September 27, 2016 Technical Session
Proposed Extension of Deadline for Initial Filings**

Dear Ms. Howland:

On September 27, 2016, representatives of parties and Commission Staff (Staff) met in technical session to discuss various matters related to this docket, including an extension of the deadline for initial filings in the proceeding intended to alleviate a potential scheduling conflict with a stakeholder session in the grid modernization docket, IR 15-296.

The parties and Staff agreed to extend the initial filing deadline from Friday, October 21, 2016, until Monday, October 24, 2016. Based on this agreement, Staff respectfully requests that the Commission approve the proposed initial filing deadline extension. No other changes are proposed to the approved procedural schedule for the proceeding at this time.

I hereby certify that a copy of this letter will be served electronically on the parties on the service list at the same time it is filed with the Commission.

Sincerely,

A handwritten signature in cursive script that reads "David Wiesner".

David K. Wiesner
Staff Attorney
