Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or Other  
Regulatory Mechanisms and Tariffs for Customer-Generators  
Cancelling Technical Session on December 1, 2016

To the Parties:

Commission Staff has recommended that the technical session scheduled for December 1, 2016 be cancelled, based on the general consensus of the most active participants in this proceeding that an in-person meeting is not necessary for discovery response follow-up and clarification. The Commission has reviewed this recommendation and determined that the technical session should be cancelled.

Accordingly, the December 1, 2016 technical session in this proceeding has been cancelled.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
