**Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or
Other Regulatory Mechanisms and Tariffs for Customer-Generators
Recommendation to Cancel December 1, 2016 Technical Session**

Dear Ms. Howland:

Commission Staff has proposed to the parties in this proceeding that the technical session scheduled for Thursday, December 1, 2016 be cancelled. This technical session was intended to focus on discovery response follow-up and clarification, and the general consensus of the most active participants in the docket is that an in-person meeting is not necessary for such follow-up and clarification and may not be the most productive use of time.

Staff therefore recommends that the Commission cancel the December 1, 2016 technical session.

I hereby certify that a copy of this letter will be served electronically on the parties on the service list at the same time it is filed with the Commission.

Sincerely,

A handwritten signature in cursive script that reads "David K. Wiesner".

David K. Wiesner
Staff Attorney
