RE: Docket # DE 16-576: Development of New Alternative Net Metering Tariffs and/or Other Regulatory Mechanisms and Tariffs for Customer-Generators

Dear Ms. Howland:

Please be advised that Consumer Energy Alliance and the Energy Freedom Coalition of America have been in contact regarding the *Request By Energy Freedom Coalition of America to Authorize the Depositions of James Voyles and David Holt of the Consumer Energy Alliance* ("the Request") filed on December 12th, 2016. These communications have been in effort to find an amicable solution to the Request. If the Commission would like a formal response to the Request, Consumer Energy Alliance is happy to provide it, but we believe there to be a simpler way forward.

Enclosed are six (6) copies of this letter.

Please feel free to contact me with questions.

Best regards,

James R. Voyles
Counsel
