Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or Other Regulatory Mechanisms and Tariffs for Customer-Generators Report of August 16, 2017 Initial Working Group Meeting

Dear Ms. Howland:

On August 16, 2017, representatives of numerous parties and Commission Staff (Staff) convened for the initial meeting of working groups to address various matters relevant to this docket, including the scheduling of future meetings of working groups to cover specific topics.

Based on the discussion during that initial meeting and subsequent review of Staff availability, Staff recommends that the following working group (WG) meetings be scheduled within the near-term period:

Low-Moderate Income Pilot WG	October 3, 2017 at 9:00 a.m.
Time-of-Use Rate Pilot WG	October 19, 2017 at 9:00 a.m.
Value of DER Study Scope WG	October 23, 2017 at 1:00 p.m.
Non-Wires Alternative Pilot WG	November 6, 2017 at 1:00 p.m.

Staff therefore respectfully requests that the Commission approve the proposed working group meeting schedule. Staff also notes it was the consensus of the initial meeting attendees that participation in the working group process remain open and unrestricted at this time.

I hereby certify that a copy of this letter will be served electronically on the parties on the service list at the same time it is filed with the Commission.

Sincerely,

A handwritten signature in cursive script that reads "David K. Wiesner".

David K. Wiesner
Staff Attorney
