Re: DE 16-576

Development of new alternate net metering tariffs and/or other regulatory mechanisms and tariffs for consumer- generators

Dear Ms Howland:

Enclosed are an original and seven copies of the comments of Pentti J. Aalto on items for consideration in identifying the value of distributed Energy Resources. An associated supporting Excel spreadsheet is made available electronically. This submission has been delayed by personal reasons. I regret any potential inconvenience but I do believe that the concepts presented may be useful.
