Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or
Other Regulatory Mechanisms and Tariffs for Customer-Generators
Extending Filing Deadline for Locational Value Study Design Report

To the Parties:

On October 31, 2018, Commission Staff (Staff) filed a letter requesting that the Commission further extend by one month the deadline under Order No. 26,124 (April 30, 2018) for filing a final report containing the proposed scope and timeline for a distribution-level locational distributed generation valuation study, from October 30, 2018 until November 30, 2018.

For the reasons stated in Staff's letter, the Commission has approved the request for a one-month further extension of the filing deadline. Accordingly, the final report containing the proposed locational value study scope and timeline must be filed by November 30, 2018.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
