July 15, 2021

Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or
Other Regulatory Mechanisms and Tariffs for Customer-Generators
Cancellation of July 15, 2021 Stakeholder Technical Session

To the Parties and Stakeholders:

On July 14, 2021, the Department of Energy filed a letter requesting the Commission to cancel the stakeholder technical session scheduled today at 9:00 a.m. with consultant Dunsky Energy Consulting/Power Advisory LLC regarding the Value of Distributed Energy Resources (VDER) Study. The Department of Energy stated that the reason for the cancellation was an unavoidable conflict. It noted that it anticipated the stakeholder technical session may be rescheduled in August 2021.

The Commission has cancelled the technical session regarding the VDER study scheduled today, July 15, 2021, at 9:00 a.m. The Department of Energy shall notify the Commission by Thursday, July 29, 2021 of the date on which the parties have agreed to reschedule this technical session.

Sincerely,

A handwritten signature in cursive script that reads "Dianne Martin".
