RE: Docket DE 16-576, Petition for Late Intervention

NHPUC 20 JUN '16 AM 11:47

Dear Executive Director Howland,

I am writing this petition for late intervention on behalf of SunRaise Investments LLC (SunRaise) on DE 16-576. SunRaise would like to be actively involved in this specific docket and, more broadly, in developing alternative net metering tariffs in the state of New Hampshire.

SunRaise is a commercial financier and developer of solar photovoltaic facilities partnering with schools, universities, municipalities, and affordable housing properties to lower and stabilize their electricity costs. Specializing in development, financing, and long term ownership SunRaise partners with reputable, local solar installers to construct the solar projects it develops and/or finances. SunRaise operates out of Portsmouth, NH and its current customers include Plymouth State University, the Rochester School District, and the White Mountain School.

We welcome any questions you may have about this petition for late intervention.

Thank you for your consideration,

A handwritten signature in black ink that reads "Matt" followed by a stylized, elongated signature.
