

AFFIDAVIT

I, Elizabeth Doherty, being duly sworn, depose and state as follows:

1. My name is Elizabeth Doherty and I am a second year law student at Vermont Law School. In the Fall of 2016, I served as an advanced energy clinician at the Energy Clinic of Vermont Law School, located at 158 Chelsea Street in South Royalton, Vermont 05068. In that capacity, I was engaged by the Office of the Consumer Advocate (OCA) in New Hampshire to provide expert assistance and testimony in connection with New Hampshire Public Utilities Commission (PUC) Docket No. DE 16-576, in which the PUC is considering proposals for new alternative net metering tariffs and related matters.
2. On October 24, 2016, I submitted direct prefiled testimony in Docket No. DE 16-576, which the PUC provisionally admitted into evidence as Exhibit 18.
3. I hereby adopt Exhibit 18 as my sworn testimony in this proceeding, intending that such adoption have the same effect as if I had appeared personally before the PUC and given under oath the written answers to the questions posed to me in those exhibits.

Dated this 5 day of April, 2017.
