**RE: Wilton Telephone Company: Intrastate Access Service Tariff (NHPUC No. 6)  
Remove Jurisdictional Reporting – PIU Floor Language**

Dear Ms. Howland:

Enclosed please find the original and two (2) copies of the following tariff pages:

**Section 2**

**Third Revised Sheet 18**

The purpose of this filing is to remove language within General Regulations for the PIU Floor % portion that was for terminating switched access traffic that did not have sufficient call detail to determine the proper jurisdiction. This language is no longer necessary because the Company's intrastate switched access rates are the same as the corresponding interstate switched access rates.

The proposed effective date for this filing is July 1, 2016. If you have any questions, please contact me at (608) 664-4169.

Sincerely,

A handwritten signature in black ink that reads "Rachelle A. Ladwig".
