Re: DW16-619 Order # 25,964- 60 Deadline Extension Request

Dear Ms. Howland:

On October 2, 2017, Lakes Region Water Company, Inc. (LRWC) filed a request for a nine month extension of the December 31, 2017 deadline to file a petition for a step adjustment in the rates for Dockham Shores' customers as provided for in Order No. 25,964 (November 10, 2016). The extension was granted on October 23, 2017 and LRWC's petition for a step adjustment is due October 1, 2018.

The project is nearing completion and we are respectfully requesting a 60-day extension from the October 1, 2018 deadline to reconcile the project and prepare the petition for submission no later than December 1, 2018.

If you, the Staff and/or the Commissioners have any questions or comments, or need additional information, please contact me directly at (603) 476-2348.

Sincerely,

Leah Valladares
