This notice applies to CLEC customers that exchange local traffic with Verizon[1] at the default End Office and Tandem Reciprocal Compensation rates in Connecticut, District of Columbia, Delaware, Massachusetts, Maryland, New Jersey, New York, Pennsylvania, Rhode Island and Virginia.

As a result of implementing the FCCs ICC Reform Phase 5 access service reductions, these default end office and tandem reciprocal compensation rates will be reduced, effective July 1, 2016, as follows:

<u>State/CO</u>	<u>End Office/Tandem</u>	<u>7/1/2016 Rate</u>

There will be no changes to the Tandem Transit Traffic Service rate.
