RE: Peerless Network of New Hampshire, LLC NHPUC Tariff No. 3 – Tariff Corrections

Dear Chief Clerk:

On July 15, 2016, Peerless Network of New Hampshire, LLC (“Peerless”) filed tariff revisions to reduce the Company’s intrastate terminating end office access rate to \$0.0007 per minute. That filing included 1st revised page 2 and 1st revised page 74. The effective date of that filing was July 31, 2016.

Peerless recently discovered that there was a scrivener’s error in that filing that inadvertently listed the \$0.0007 rate intended for terminating end office switching under a different rate element. Therefore, Peerless hereby submits an original and two copies of a corrected filing that resolves the error and properly shows the \$0.0007 per minute rate applying to terminating end office switching. Besides the correction to the terminating end office switching rate, no other changes are being made and no other rates are changing.

Please date stamp the extra copy of the transmittal letter and return in the enclosed postage paid envelope.

If there are any questions concerning this filing, please feel free to contact me at 312-506-0933 or at pphipps@peerlessnetwork.com. Thank you.

Sincerely,
