Re: DE 16-674, Motion to Correct Errors in PUC Determination of Avoided Costs

Dear Ms. Howland,

Enclosed and attached please find the following:

- Request for Waiver of Puc 203.02 (a)(1) with regard to filing 6 paper copies of electronically filed Excel spreadsheets (PDF and 7 paper copies).
- A single original paper copy of all the electronically submitted Excel spreadsheets not previously provided in paper format with the original motion with index as shown below.
- Electronically attached copies of all those Excel files, with formatting updated to accommodate printing (such as added headers and footers with docket number, page numbers, file name and tab name).
- Electronically attached PDF copies of those printed Excel spreadsheets that match and can print out the same as the one original printed copy being submitted.
- A revised Motion to Correct Errors in PUC Determination of Avoided Costs with a revision date of 6/21/16. This revision inserts some missing words, deletes a jumbled sentence, and corrects minor typographical errors. (PDF and 7 paper copies) This should be considered to replace pages 1-10 of the original motion. I apologize for any inconvenience this may cause.
- A PDF of Attachments to the original Motion. Paper copies were previously included as pp. 11-25 of the original submission. I thought you might like a clean PDF version that could replace the scanned version in the docketbook to improve readability and to allow public viewers to access the live hyperlinks in the attached PDF.
- A single CD with all of the electronic files attached hereto.

I am providing electronic copies of this submission to the Office of Consumer Advocate and the service list in this docket. Thank you for attention to this matter.

Yours truly,

Clifton Below
