SUBJECT: DM 16-686, Atlas Commodities, LLC
Renewal of Registration to Provide Natural Gas Aggregation Service
TO: Commission
Debra Howland, Executive Director

On June 20, 2016, Atlas Commodities, LLC (Atlas) filed an application to renew its registration as a provider of natural gas aggregation service. On July 29, 2016, Atlas requested a waiver of Puc 3003.05(a) which requires a renewal application to be filed 60 days before the registration expiry date on July 6, 2016. Atlas's renewal application was due on or before May 7, 2016. Atlas explained that the delay was due to an administrative change and it already took remedial action.

Staff has reviewed the application and has determined that the filing is complete. As this is the first time Atlas was late to file its renewal application, Staff recommends the Commission grant Atlas's waiver request this time only and approves its renewal application to provide natural gas aggregation service, effective from July 7, 2016, for a term of 5 years.
