Ms. Howard-Pike –

Thank you for bringing the omission to my attention. I guess the pages were inadvertently left-out of the “assembly” process.

Following up on our phone conversation this morning, please print the three pages that were included in the electronic filing but omitted from the mailed submission and make these three pages part of the official compliance filing of TransCanada.

The three omitted pages were supplemental information for:

- 1) Attachment 3: Screen print from NH Secretary of State website demonstrating Good Standing status (1 pg. – Att3A attached)
- 2) Attachment 7: Screen print from ISO New England website documenting TransCanada’s current membership standing (2 pgs – Att7A attached)

Thank you for your assistance.

Mr. Ormsbee,

I am writing as follow up to my voice mail left on Friday. Your CEPS renewal was received on Thursday and I discovered that there is a discrepancy between the paper and the electronic versions. The paper is considered the official version yet it is missing the Secretary of State page verifying Good Standing status and it is missing the two pages containing the Customer Directory. The missing pieces are contained in the electronic version.

If you wish the missing pages to be part of your filing, please send one original and two copies of each of the pages to:

Please reference docket DM 16-705 in your correspondence. I would welcome any questions you might have.
